

TROPICAL RAINFOREST

You're a biologist checking on the monkeys - find your way from the Pier to the beach (and watch out for the jaguars!).

Find 2 roseate spoonbills, 3 macaws, a harpy eagle, a sloth, an armadillo, 2 jaguars, 4 monkeys, an anteater, a toucan, an emerald tree boa, and a caiman.

Solve the maze. Find, name, and count the other creatures. Color it in.
